ThinkTV CEO Kim Portrate said: “Australians have turned to TV through all the twists and turns of this horrible health crisis; whether to watch trusted, timely news or, when it all gets a bit overwhelming, for light relief, entertainment or to cheer on their favourite sports teams. The resulting increase in viewing is reflected in the growth of Total TV revenues for both the half and the full year.”

The record-breaking performance of BVOD platforms 7plus, 9Now, 10 Play, Foxtel Go, Foxtel Now and Kayo has also continued with BVOD revenue up 74.8 per cent to \$145 million for the six months to June 30, 2021. BVOD revenue for the total financial year was \$278 million, up 63.4 per cent year-on-year.

Portrate added: “BVOD continues its impressive run as Australia’s fastest-growing media channel with a growth rate exceeding all expectations and the same period last year when BVOD shot up 32 per cent.”
